

July 2020

To All Supported Employees

As you would have heard there has been an increase in the number of COVID-19 cases in Victoria.

This has meant that the government has bought back the Stage 3 restrictions that were in place a few weeks ago. These restrictions start from 11:59pm tonight, Wednesday 8 July 2020.

Because of these restrictions we have needed to make some changes to make sure people stay healthy. These changes mean you will not be required to attend work until these restrictions change.

Your ongoing employment will continue with OCC Enterprises and you will continue to get paid on a fortnightly basis.

We will remain in regular contact with you and will let you know about any changes as they occur.

As you know we value our supported employees which is why even though you need to be at home you will still be on full pay. We know this is a difficult time for you which is why we will continue to connect via Zoom and phone link-ups

Finally I would like to thank you all for your continued support at this time.

If you have any concerns please contact Athena Kontonis at work on 9575 4200.

Stay well and stay safe.
